

## **Around the Horn**

***The purpose of this drill is to get the kids used to making throws for potential base runners that are stealing and then to increase the ability and frequency of the players to be able to turn a double play. To begin this drill make sure that there is a catcher, third baseman, shortstop, second baseman, and a first baseman.***

- 1.) Catcher throws the ball down to third as if someone is stealing
- 2.) Third baseman rolls a ground ball to the second baseman
- 3.) Second baseman throws the ball to the shortstop to turn a double play
- 4.) After tagging the base the shortstop throws the ball to first base
- 5.) The first baseman throws the ball to the third baseman
- 6.) Third baseman throws the ball home.
